Dear Sir:

Applicant hereby petitions for revival of this application.

By communication mailed March 20, 2006, the PTO advised the undersigned that the above-identified application became abandoned owing to Applicant's failure to timely file a reply to an Office letter mailed on 9 September 2005. Both Applicant and the undersigned were unaware of such a letter, There is no such letter in the undersigned's file. The undersigned has no recollection of ever having received such a letter. There is no calendar entry on the undersigned's docket system that would indicate that the letter had been received or that a response was due. In summary, the letter mailed 9 September 2005 was, to the best of the undersigned's good faith belief, never received.

Accordingly, no response to said letter can be filed with this Petition, and a duplicate letter is respectfully requested together with the setting of a new deadline for response.
